EXPLANATORY NOTE

On March 23, 2005, Briggs & Stratton Corporation (the “Registrant”) filed a registration statement on Form S-8 (Registration No. 333-123512) with the Securities and Exchange Commission (the “Commission”) to register 8,000,000 shares of common stock, par value \$0.01 per share (the “Common Stock”) and attached common share purchase rights (the “Rights”) available for issuance under the Registrant’s Amended and Restated Incentive Compensation Plan (as subsequently amended and now known as the Briggs & Stratton Corporation 2014 Omnibus Incentive Plan, the “Plan”). The Registrant paid a registration fee of \$35,367.00 at that time to register such shares of Common Stock. On July 16, 2010, and October 17, 2014, the Registrant filed registration statements on Form S-8 (respective Registration Nos. 333-168157 and 333-199431) to register an additional 2,481,494 and 3,760,000 shares of Common Stock, respectively, and related Rights, issuable pursuant to the Plan. The Registrant paid registration fees of \$3,185.63 and \$7,628.49, respectively, to register such shares of Common Stock. The registration statements on Form S-8 filed in connection with the Plan are referred to herein collectively as the “Registration Statements.” Since the Plan provides for possible adjustment of the number, price and kind of shares covered by equity incentive awards granted or to be granted in the event of certain capital or other changes affecting the Common Stock, the Registration Statements also covered an indeterminate number of shares of Common Stock as may have become issuable as a result of such provisions. On October 21, 2015, the Rights expired according to their terms and were not renewed.

At the Registrant’s Annual Meeting of Shareholders on October 25, 2017 (the “Approval Date”), the Registrant’s shareholders approved the 2017 Omnibus Incentive Plan (the “2017 Plan”). As of the Approval Date, no new awards may be granted under the Plan. The number of shares of Common Stock for which awards may be granted under the 2017 Plan consists of (i) 4,700,000 new shares of Common Stock plus (ii) up to 3,515,317 shares of Common Stock that were previously available for issuance under the Plan and that, pursuant to the terms of the 2017 Plan, have become or may become available for issuance under the 2017 Plan (the “Carryover Shares”) consisting of (a) up to 510,036 shares of Common Stock that were previously approved by the Registrant’s shareholders for issuance under the Plan but have not been awarded under the Plan and (b) up to 3,005,281 shares of Common Stock that are subject to outstanding equity awards under the Plan but may become available for the grants of awards under the 2017 Plan if an outstanding award under the Plan terminates by expiration, forfeiture, cancellation or otherwise without the issuance of such shares, is settled in cash in lieu of shares, or is exchanged with the Compensation Committee’s approval, prior to the issuance of such shares, for awards not involving shares of Common Stock.

Accordingly, pursuant to the undertaking in Item 512(a)(1)(iii) of Regulation S-K that the Registrant disclose a material change in the plan of distribution as it was originally disclosed in the Registration Statements, the Registrant is filing this Post-Effective Amendment No. 1 to the Registration Statements to reflect that, as of the Approval Date, the Carryover Shares may be issued under the 2017 Plan and also to file as an exhibit hereto a copy of the 2017 Plan as well as a new opinion as to the validity of the shares of Common Stock that were previously issuable pursuant to the Plan. This Post-Effective Amendment No. 1 to the Registration Statements amends and supplements the items listed below. All other items of the Registration Statements are incorporated herein by reference without change.

Contemporaneously with the filing of this Post-Effective Amendment No. 1 to the Registration Statements, the Registrant is filing a registration statement on Form S-8 to register 4,700,000 new shares of Common Stock authorized for issuance pursuant to the 2017 Plan, which amount excludes the Carryover Shares. No additional shares of Common Stock are being registered by this Post-Effective Amendment No. 1 to the Registration Statements.

- The description of the Registrant's Common Stock contained in the Registrant's Registration Statement on Form 8-B, dated October 12, 1992, and filed with the Commission on October 14, 1992; and any amendment or report filed for the purpose of updating such description.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Pursuant to the provisions of the Wisconsin Business Corporation Law, directors and officers of the Registrant are entitled to mandatory indemnification from the Registrant against certain liabilities and expenses (i) to the extent such officers or directors are successful in the defense of a proceeding and (ii) in proceedings in which the director or officer is not successful in the defense thereof, unless (in the latter case only) it is determined that the director or officer breached or failed to perform his or her duties to the Registrant and such breach or failure constituted: (a) a willful failure to deal fairly with the Registrant or its shareholders in connection with a matter in which the director or officer had a material conflict of interest; (b) a violation of criminal law unless the director or officer had reasonable cause to believe his or her conduct was lawful or had no reasonable cause to believe his or her conduct was unlawful; (c) a transaction from which the director or officer derived an improper personal benefit; or (d) willful misconduct. The Wisconsin Business Corporation Law specifically states that it is the public policy of Wisconsin to require or permit indemnification in connection with a proceeding involving securities regulation, as described therein, to the extent required or permitted as described above. In addition, under the Wisconsin Business Corporation Law, directors of the

Registrant are not subject to personal liability to the Registrant, its shareholders or any person asserting rights on behalf thereof for certain breaches or failures to perform any duty resulting solely from their status as directors, except in circumstances paralleling those outlined in (a) through (d) above.

Expenses for the defense of any action for which indemnification may be available may be advanced by the Registrant under certain circumstances.

The indemnification provided by the Wisconsin Business Corporation Law is not exclusive of any other rights to which a director or officer of the Registrant may be entitled.

Article VIII of the Bylaws of the Registrant provides for indemnification of directors and officers to the fullest extent permitted by Wisconsin law.

The Registrant has purchased insurance as permitted by Wisconsin law on behalf of directors and officers, which may cover liabilities under the Securities Act of 1933.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

....

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

....

(h) Reference is made to the indemnification provisions described in Item 6 of this Post-Effective Amendment No. 1 to the Registration Statements.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Re: The Briggs & Stratton Corporation 2014 Omnibus Incentive Plan

Ladies and Gentlemen:

We are providing this opinion in connection with Post-Effective Amendment No. 1 (the "Amendment") to the Registration Statements on Form S-8 (Nos. 333-199431, 333-168157 and 333-123512) (the "Registration Statements") of Briggs & Stratton Corporation (the "Company") to be filed under the Securities Act of 1933, as amended (the "Act"). The Registration Statements originally registered 8,000,000 shares, 2,481,494 shares and 3,760,000 shares, respectively, of common stock, par value \$0.01 per share (the "Common Stock") for future issuance pursuant to the Company's 2014 Omnibus Incentive Plan (formerly known as the Incentive Compensation Plan) (the "Plan").

At the Company's Annual Meeting of Shareholders on October 25, 2017 (the "Approval Date"), its shareholders approved the Company's 2017 Omnibus Incentive Plan (the "2017 Plan"). As of the Approval Date, no new awards may be granted under the Plan. The number of shares of Common Stock for which awards may be granted under the 2017 Plan consists of (i) 4,700,000 new shares of Common Stock plus (ii) up to 3,515,317 shares of Common Stock that were previously available for issuance under the Plan and that, pursuant to the terms of the 2017 Plan, have become or may become available for issuance under the 2017 Plan (the "Carryover Shares") consisting of (a) up to 510,036 shares of Common Stock that were previously been approved by the Company's shareholders for issuance under the Plan but have not been awarded under the Plan and (b) up to 3,515,317 shares of Common Stock that are subject to outstanding equity awards under the Plan but may become available for the grants of awards under the 2017 Plan if an outstanding award terminates by expiration, forfeiture, cancellation or otherwise without the issuance of such shares, is settled in cash in lieu of shares, or is exchanged with the Compensation Committee's approval, prior to the issuance of such shares, for awards not involving shares of Common Stock.

The Amendment reflects that the Carryover Shares are available for issuance under the 2017 Plan.

We have examined: (i) the Amendment and the Registration Statements; (ii) the Company's Articles of Incorporation and Bylaws, each as amended to date; (iii) the Plan and the 2017 Plan; (iv) the corporate proceedings relating to the authorization for the issuance of the Carryover Shares in accordance with the 2017 Plan; and (v) such other documents and records and such matters of law as we have deemed necessary in order to render this opinion.

On the basis of the foregoing, we advise you that, in our opinion:

1. The Company is a corporation validly existing under the laws of the State of Wisconsin.
2. The Carryover Shares to be sold from time to time pursuant to the 2017 Plan that are original issuance or treasury shares, including shares bought on the open market or otherwise for purposes of the Plan, when issued as and for the consideration contemplated by the Plan, will be validly issued, fully paid and nonassessable by the Company, subject to the personal liability that may be imposed on shareholders by

former Section 180.0622(2)(b) of the Wisconsin Business Corporation Law, as judicially interpreted, for debts incurred prior to June 14, 2006 (for debts incurred on or after such date, Section 180.0622(2)(b) has been repealed) owing to employees for services performed, but not exceeding six months service in any one case.

We hereby consent to the filing of this opinion as an exhibit to the Amendment. In giving consent, we do not admit that we are “experts” within the meaning of Section 11 of the Act, or that we come within the category of persons whose consent is required by Section 7 of the Act.

Very truly yours,

/s/ Quarles & Brady LLP
